

06 The Open Book

Futures Accessibility

Tools

Our customised tools include the following frameworks:

1. Strategic Planning Model and Self Assessment Tool '10 Steps to Creating Custom Accessibility Roadmaps' - a strategic planning model, available in Copim Compass and to download separately, to plan accessibility tasks within small presses

Strategic Planning Model and Self Assessment Tool '10 Steps to Creating Custom Accessibility Roadmaps' - DRAFT review format

2. Manual Auditing Checklist - available to download, a checklist for making PDF and EPUB eBook files accessible, based on WCAG 2.2 AA and graded by assumed complexity of the task

Manual Auditing Checklist - DRAFT review format
